1914 Christmas Truce -- Satanists Hold Us Hostage

December 22, 2025

Brian wrote: "You post it every year at Christmas. I never get tired of reading it. Scream it from the roof tops ! It clearly demonstrates, people in general don't want to war with one another if they pause for a moment and think for themselves. Much like Smedley Butler when he no longer blindly followed orders. When you travel, you realize people are more alike than different. They love their children, their culture, traditions and seek peace just as we do. And lastly this story provokes thought.

As to why Christian nations should take up arms against other Christian nations. The answer is war is engineered by globalist bankers for their own ends. Not the media narratives. We hope that convoluted alliances and meaningless treaties don't draw us into other conflicts like the Ukraine war.
May all the men who paused for a moment of peace rest in peace. And all the leaders who lust for war get what they deserve."

On Christmas 1914, British and German soldiers fraternized and refused to kill each other.

Christmas reminded them that they had more in common with Jesus Christ and the Gospel of Love than with the Cabalist (Satanist) bankers who had contrived this war in order to kill them.

"To the consternation of field commanders on both sides, some of the troops were reluctant to return to fighting. In several areas, men were ordered to restart the hostilities under penalty of court martial."

Makow - I am donating all proceeds from Illuminati4- Genocide & War (https://www.amazon.com/dp/0991821157/) to the anti-globalist cause. The book demonstrates that war is engineered by central bankers using Freemasons embedded on both sides for purpose of exterminating "infidels" -Christians and other non-Satanists.

"The government of the Western nations, whether monarchical or republican, had passed into the invisible hands of a plutocracy, international in power and grasp. It was, I venture to suggest, this semi-occult power which … pushed the mass of the American people into the cauldron of World War I."

It Is a story worth retelling. Few realize that just over a century ago, the Christian nations of the world were at war.

Catholic, Protestant, Orthodox, and Coptic Christians had taken up arms against one another. They had set aside the teachings of Jesus where he said to "love your enemy" and were now engaged in a calamitous war.

By Christmas, it was evident that this 'quick war' was not soon to be over as the politicians had promised. Pope Benedict XV, had proposed a Christmas cease, but it was rejected as 'impossible' by both sides.

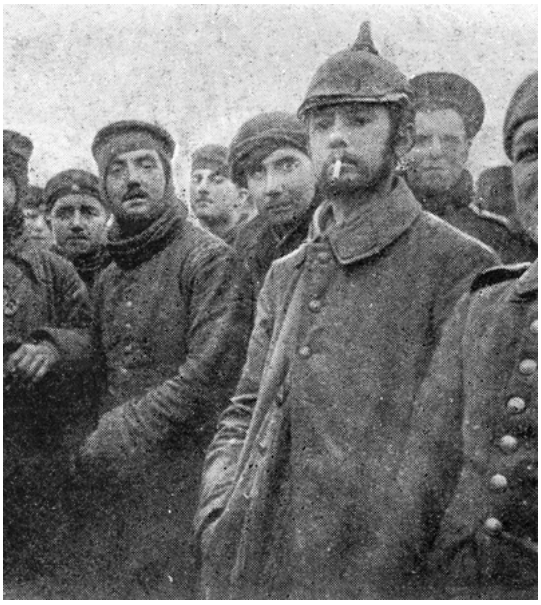
Alfred Anderson of the British Expeditionary Force was just 18 years old and was at the front on Christmas Eve 1914, when the unthinkable happened. German and British soldiers began to sing Christmas carols while hunkered down in their respective trenches. Soon a truce between the combatants was established, and men who were enemies a few hours before began to greet one another and exchange gifts.

In other areas along the front, German troops set up small trees on the parapet of their trenches, decorated them with lit candles, and began singing carols. Soon many British troops along the front in this area began to sing along. British and French troops began to see Germans posting signs saying, "YOU NO FIGHT; WE NO FIGHT."

Some British units improvised 'MERRY CHRISTMAS' banners and waited for a response. In a short period of time, what the governments of the combatants could not do, pockets of German, French, and British troops arranged a spontaneous truce, and soldiers left their trenches.

(British and German soldiers standing together)

Up and down the line, men who hours earlier had sought to kill the other, met in 'no-man's land' to shake hands, share rations, chocolate cake, cognac, postcards, newspapers, tobacco, and (more



solemnly) bury their dead.

Kurt Zehmisch, another BEF eyewitness recorded in his diary: "The English brought a soccer ball from the trenches, and pretty soon a lively game ensued. How marvelously wonderful, yet how strange it was; Christmas, the celebration of Love, managing to bring mortal enemies together as friends for a time."

This informal truce, which also included some French and Belgian troops, was largely over by New Year's Day. German and British soldiers reluctantly parted, in the words of Pvt. Percy Jones of the Westminster Brigade, "with much hand-shaking and mutual goodwill."

On January 1, 1915, *the London Times* published a letter from a Medical Corps Major reporting that in his sector, the British played a game against the Germans and were beaten 3-2. Men had exchanged gifts and buttons. Soldiers who had been barbers gave free haircuts. One German, a juggler, gave an impromptu performance of his routine in the center of 'no-man's land.'

German and Allied commanders tried to cover up the impromptu ceasefire. French generals could not fathom why their soldiers disobeyed orders and joined the forbidden Christmas truce. To the consternation of field commanders on both sides, some of the troops were reluctant to return to fighting. In several areas, men were ordered to restart the hostilities under penalty of court martial.

In Germany, it was not given wide publicity, and quietly the High Command replaced most front-line units that took part in the ceasefire. Though caught off guard and embarrassed by the spontaneous truce, allied commanders made sure that there would be no repeat of the 1914 Christmas truce, and during subsequent Christmases had their troops engaging the enemy during the holiday.
(http://www.theoccidentalobserver.net/2017/12/25/joyeux-no%D1%91l-the-beginnings-of-wwi-and-the-christmas-truce-of-1914/)

The Christmas Truce of 1914 demonstrates how the common belief of a Savior born in Bethlehem shared between enemies can make even the bitterest of enemies friends.

When the British heard the Germans sing a song about a little baby born in a stable, they joined in singing "Silent Night."

It is astonishing how a song about a little newborn baby could move enemies to put down their weapons and embrace one another as friends.

When those on both sides of the trenches realized that the Christ they knew was also the Christ their adversary knew, what other response could there have been but to establish peace among brothers?

That is why this story is worth telling every Christmas. Christ came to bring peace and forgiveness of sins to a troubled world. The knowledge of Christ still brings liberty and peace to all who encounter Him.

The Christmas Truce of 1914 is a glowing testimony to the words spoken by an angel on that first

Christmas so many years ago, "Peace on Earth, Good will toward all." Merry Christmas to all!

My dad was a WWII US Army veteran of the Pacific War. He saw action in the Battle for Leyte Gulf and Okinawa. He didn't buy into the "Why We Fight" propaganda pumped out by the government. It's not well publicized, but Army morale was low when the battle for Okinawa began; and I recall one US Army unit collapsed on Okinaw

He said on Okinawa, morale was breaking down as men were tired of fighting and dying. A moral officer was quietly going around surveying the troops. One questioned asked was, are you willing to see this war to its conclusion? Dad answered NO! The officer was taken aback and pressed him: why not? He said he didn't care who won the war because he'd lost his health, his mind, and his youth. Dad said the officer was visibly upset with his answer and what was even more concerning was he was hearing the same thing from men up and down the line! When I went to the US National Archives WWII exhibit in 1995, I saw an action report on display that coincidently confirmed what my dad had told me.

After reading Dave Grossman's book, *"On Killing: The Psychological Cost of Learning to Kill in War and Society,"* it became readily apparent to me that most men on the line don't want to kill other men. I had a church member tell me he was in the Battle of the Bulge. He spent many days confined to a foxhole and ended up with frostbite. He emphatically said he had made up his mind that he would not kill another human. He would rather be captured or killed. He was not going to fire his weapon. I wonder how many other men believed the same (Pvt. Eddie Slovak is a good example how a man refused to fight and a bad example how to not get caught).

Do I think these men are cowards, slackers, or unpatriotic? NO! As many veterans say, you must be there (on the line with death lingering all around) to understand what this does to a man's psyche. My dad, speaking of his experience on Okinawa, said what's startling is to see what one human being will do to another. There's a line on the movie "Grand Torino" that fits here. Clint Eastwood's character Walt Kowalski is a veteran of the Korea War. He says to Father Janovich, "The thing that haunts a guy is the stuff he wasn't ordered to do." I can readily attest my dad suffered from PTSD until the day he died. He saw death as the only way a man could live in peace. How sad.

Dan Butler (1955-2018) wrote: (https://www.henrymakow.com/2018/02/Dan-Butler.html)

A few years ago, a Dr Thomas Weber researched war diaries and period documents to reconstruct the 1914 Christmas Truce.

He found evidence that a lot of soldiers attempted to initiate repeat truces in 1915 and 1916, but by then the division commanders on both sides had orders to use snipers to

shoot any soldiers seen coming out of their trenches unarmed.

It actually was the singing of mutually familiar Christmas songs that prompted the soldiers to approach each other without their weapons. During modern battles soldiers were driven by adrenaline fuelled brutality, which turned to remorse at rest in the trenches between battles. The break from the sheer inhumanity of what they doing, probably kept a lot of them from losing their humanity forever. The sad fact is that most of the ones that participated in the 1914 truce didn't survive the war.

Dr Weber also mentioned that the French soldiers didn't participate in the first truce; just British and Germans.

Another one that didn't approve of the truce along with the division commanders and the French was regimental headquarters front line courier corporal Hitler. At least, that's what one of Hitler's brigade, Heinrich Lugauer, recorded in his war diary. Weber quoted him; "When everyone was talking about the Christmas 1914 fraternization with the Englishmen, Hitler revealed himself to be its bitter opponent. He said, 'Something like this should not even be up for discussion during wartime."

I say :Jesus was a voluntaryist (i.e. an anti-statist). In other words, he was the exact opposite of the average, modern, state-indoctrinated,(and therefore state- worshipping), so- called "Christians".

Evidence: Q: If Jesus Were Born Today, Would He Survive the American Police State?

"Jesus—the revered preacher, teacher, radical and prophet—was born into a police state not unlike the growing menace of the American police state.....When confronted by those in authority, Jesus did not shy away from speaking truth to power. Indeed, his teachings undermined the political and religious establishment of his day. It cost him his life. He was eventually crucified as a warning to others not to challenge the powers-that-be."

They have a quiver full of poison tipped arrows to use against us. Your statement above is but one of those arrows. Convincing an entire generation of young people to delay their family making has and will lead to a vast change in the population base of the Western world is an arrow.

The Christian mindset cannot grasp the evil…it won't believe that a group of people will lie to them so boldly. For example, our young Christians actually believe he/she should not have to children to "save" the planet.

Faith in a future for their own children is replaced by "their" lies. Really, its just competition…they will continue to have their lineage throughout the centuries. The rest of us won't.

The soldiers were never enemies with the other soldiers, they were simply following banker orders to kill one another. If the banks ordered our soldiers to divide up and start killing each other, it is exactly what they would do. I asked a cop about this once and she said, yes, this is what she would do - if they ordered the cops to kill each other. Jewish money rules.

Neither St. Paul or Jesus Christ himself ever advocated wars or physical altercations with anyone.

Wars are started by lies to draw a fictitious line between good and evil for the shedding of blood by both sides. This is why the Illuminati War Architects supply both sides of the conflict.
The war propaganda machine reached it's height during WW2 which still is considered by many to be a just and necessary war. Christians killing Christians is never just or necessary.

The MSM in America is propagating a lot of anti Russia and anti Putin stuff these days and always attacking President Trump for getting along with Vladimir Putin. Sound familiar?

Tony B said (December 27, 2017):

The biblical quote given is a protestant misquote. The true quote is: "Glory to God in the highest; and on earth peace to men of good will."

This still fit that situation. As usual, the people with no say in what is done had good will, those running the show did not.

However, the meaning of the true quote and that of the false quote are as different as night and day. Protestantism is forever looking for a free pass to heaven regardless of merit.

Al Thompson said (December 26, 2017):

This incident in WWI just goes to show the evil of the government leaders and how uninterested the soldiers are in killing each other. The whole idea of government doesn't work and it has never worked for the benefit of mankind. All governments foment hatred, war, disease, sexual immorality, chemical poisoning of the environment, endless "laws" and regulations, and yet people will say that government is a necessary evil. I ask the question: Is evil really necessary? The facts show that when people are left to themselves without the influence of the government, they get along just fine. They don't fell a need to kill each other; but rather, to spend time with each other and enjoy their company. What could be better than that? But leave it up to the government, all hell will break loose and the good life will be destroyed. These governments should have been abolished thousands of years ago but people still tolerate this nonsense. And the order followers are just as guilty as the order givers; maybe more. It is one thing to give an immoral order, but it is equally as bad to follow and immoral order. The governments destroy the moral order as God intended which demonstrates their utter depravity and worthlessness. If any government can't stay within the natural moral order then it has no right to exist.

James C said (December 26, 2017):

The two World Wars were forced upon Germany. Even after the first two years of World War I, when Germany was winning the war, the Germans made an offer to end the war; but it was rejected by the British. The Zionists in England used their influence with Woodrow Wilson to bring America into the war. The false flag sinking of the Lusitania in 1915 was also a major factor of America's entry into the war.

Contrary to the b.s. history of Establishment court historians, neither Hitler nor Germany ever wanted World War II. Hitler did everything in his power to avoid the war, even offering to come to Britain's aide should the need arise. He was even willing to give up German colonies, if necessary. Had Hitler actually hated the British, he had an excellent opportunity to destroy their army at Dunkirk; yet he ordered his generals not to take action against the British expeditionary force of over 330,000 men.

Germany has always been portrayed by Anglo-American Establishment historians as a warmongering nation. The truth of the matter is that Britian forced Germany into the two World Wars. Hitler is always portrayed as an absolute monster, yet in reality Churchill was one of history's most bloodthirsty, warmongering, psychopaths. Eisenhower was another mass murdering psychopath. In private letters to his wife, General Patton wrote that in his opinion we had fought on the wrong side. He saw that we had given much of Eastern Europe to the Communists. Patton wanted to take what was left of the German army and fight the Communists. In reality, World War II was a war fought to make the world safe for Communism, and it succeeded; the West has been under a hybridized form of Communism ever since. And the Communists are getting ready to do here what they did in Russia after 1917.

Marco A said (December 26, 2017):

I'm convinced that the Great War was the beginning of the end for mankind. I wouldn't be surprised if in occult significance it was a massive blood sacrifice to whatever demon gods our rulers worship - in order for their World to come into being. The Christmas truce is an amazing account, but at the same time its an incredibly sad revelation as to the stupidity and gullibility of mankind.

A truce. Goodwill is shared between soldiers and the next they are back to butchering each other, maiming each other, blinding each other, ruining lives forever, making children fatherless, turning young wives into widows, and leaving thousands of broken mad men crushed by the cruelty of war... And these men considered themselves Christians because they just had a warm sentiment and sang Silent Night? Can we all be honest with ourselves?

Its absurd. We were born to be free and make our own decisions as men. If you just shared the good company with a supposed enemy, stop shooting for God's sake. Its frustrating that even a hundred years ago we were already reduced to such servitude to authority. Its pathetic.

As I am convinced that the Great War was the beginning of the end for mankind, I am likewise convinced that all unjust wars feed demonic energy. Satan's creatures love pain and suffering. If they can deceive men into an unjust war to bring this about, they will. Christians are called to be free, and it is shameful to be a deceived dupe as a Christian, cowardly denying what your own heart is telling you is right and wrong.

While the Christmas truce was a beautiful moment, lets not forget that these men were literally blowing each other to pieces for no reason at all.

Thanks Marco

Chutzpah!

Zionists bribe and blackmail US politicians to fund Palestinian genocide and Greater Israel and then dismiss objections as bigotry! Anyone who criticizes Israel will not find employment.

This is what happened in the USSR. Zionism and Communism are two sides of the same Masonic Jewish (satanist) coin.

White (Christian) nationalism is raising its ugly head. Nick Fuentes, Tucker Carlson and Candace Owens are leading a revolution within MAGA.

Is "Christian nationalism" part of the Illuminati agenda? I am suspicious that the above nationalists do not mention Freemasonry which is Jewish satanism for Gentiles.

Nevertheless, Christian nationalism is a necessary antidote to the satanism and globalism devouring the US and the West.

Tucker Carlson and Steve Bannon blast 'Israel First' at fractious Maga conference

Turning Point USA's conference descended into chaos amid debates over Israel and controversial commentator Nick Fuentes

Shapiro said Carlson's recent decision to interview Fuentes was "an act of moral imbecility". He called Fuentes a "Hitler apologist, Nazi-loving, anti-American piece of refuse". Verbal terrorism.

Ben Shapiro is a member of the genocidal Jewish doomsday cult Chabad, a traitor and fanatic who is destroying his own cause.

Steve Bannon, former White House strategist for US President Donald Trump, also stoked controversy by saying that Charlie Kirk opposed "this concept of greater Israel and Israel first".

Bannon went further and denounced Shapiro. "Ben Shapiro is like a cancer, and that cancer spreads," Bannon declared to cheers from the crowd.

Tucker also destroys the imposter Shapiro. (My European relatives tell me that they feel they are already at war with Russia and have been for years. I am thinking what we are being told from our MSM is not the same as what is being reported in Europe. This will not end well. You are on top of it, IMHO. Thank you.)

There are far more Zionists who are not Jews. Zionist attempt to conflate Zionism with all Jews is typical Jewish Deception

Dr. SHIVA explains why Zionism is a political ideology, and why conflating it with Jewish identity is not only wrong, it is the Swarm's perfect weapon: it fuels division, manufactures moral confusion, and turns legitimate criticism into a censorship trigger. Putin says Russia is at war against Satanism, the occult, and sorcery.

"I want the ordinary citizens of Western countries to hear me. You are being persistently told that all your current difficulties are the result of hostile actions by vicious Russia, and that you must pay for the fight against a mythical Russian threat out of your own pockets. All of this is a lie. The truth is that the problems you are facing now are the result of years of actions by the ruling elites of your own countries--their mistakes, short-sightedness, and ambition. Hamdy Mig- This is my home... It was a large, warm house, built by my father, my brothers, and me with our rough hands after years of hard work and effort to save up for it. It embraced all members of my family. We felt safe inside it. It was a beautiful and spacious house, until the war came, and the occupation planes dropped their heavy bombs on it, which led to its collapse on the heads of those inside. My tragedy was not in the house itself, but in the martyrdom of everyone inside it. The greatest tragedy is that I could not pull them out at the same time, and my mother and my little sister remained under its rubble. "The traffic in slaves was a royal monopoly, and the Jews were often appointed as agents for the Crown in their sale. They were the largest ship chandlers in the entire Caribbean region, where the shipping business was mainly a Jewish enterprise. The ships were not only owned by Jews, but were manned by Jewish crews and sailed under the command of Jewish captains

The West India Company, which monopolized imports of slaves from Africa, sold slaves at public auctions against cash payment. It happened that cash was mostly in the hands of Jews. The buyers who appeared at the auctions were almost always Jews, and because of this lack of competitors they could buy slaves at low prices. On the other hand, there also was no competition in the selling of the slaves to the plantation owners and other buyers, and most of them purchased on credit payable at the next harvest in sugar. Profits up to 300 percent of the purchase value were often realized with high interest rates."

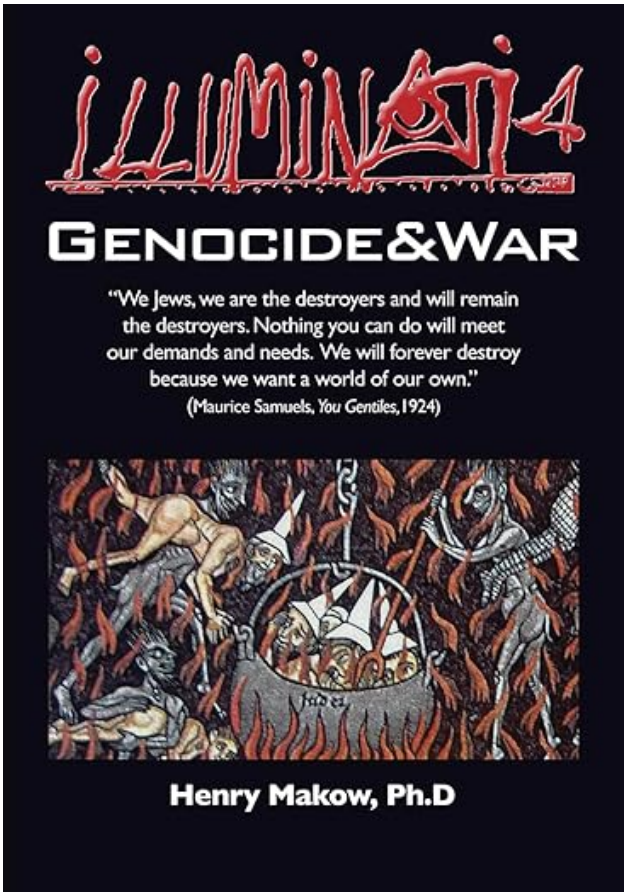
I am ashamed to say my books, and especially *Illuminati 4- Genocide & War (https://www.amazon.com/dp/0991821157/)* are prophetic and absolutely essential reading.

I am ashamed to have to say it because no one else will! Many conservative pundits ghosted me after receiving review copies. The fear of being "antisemitic" has paralyzed them. This is our collective mental enslavement which my books dispel.

My book is not antisemitic. The Illuminati define a "Jew" in moral, not racial terms.



A "Jew" is anyone who accepts Lucifer. Jews who reject Lucifer are also "infidels" and will also be exterminated.

Everything is upside down. But, if you think about it, isn't it obvious?

I am not selling a book. I am sounding an alarm. I'll give all proceeds from the sale of Illuminati4 to causes opposed to the NWO and provide an account each month.

My books have the potential to free humanity from the baneful control of the satanist world banking cartel.
Mankind is satanically possessed by Organized Jewry and its minion Freemasonry. They control literally everything and everyone.

We are on the cusp of WW3.

I show how Wars One and Two were engineered by Freemasons on both sides in order to kill patriots and destroy Christian civilization.

Hitler, Stalin, Churchill and FDR were all Freemasons!

So are Trump, Netanyahu, Putin and Kohmenei. The first three are also members of Chabad , a cult dedicated to destroying Christian civilization and exterminating "infidels" i.e. Christians.

In WW2, Nazis (Axis) and Communists (the Allies) secretly collaborated to betray patriots.

British SOE agents were betrayed to the Nazis. Nazis organizer Martin Bormann was rescued by the British. Freemasons sent a million British Christians to die on the Somme. There are many more proofs that our "leaders" are satanists and globalist traitors.

Besides Khomenei, the above are all crypto Jews. You may have noticed the over representation of Jews in every field of human endeavour except sports and the trades. Even the murdered MIT scientist was a Jew. Herb Alpert was Jewish! Gates, Zuckerberg, Musk, Brin, Page, Sam Altman, Alex Karp ...

Obviously, many Jews are super smart. Don't they realize they're creating a Communist dystopia *for which all Jews will be blamed and attacked?*
Do they care? Is the Illuminati preparing to betray their "lesser brethren" again?

Judaism, defined by Cabalism, is a satanic cult masquerading as a religion. Aleister Crowley's satanist credo, "Do what thou wilt shall be the whole of the law" is also the basis of Cabalist Judaism. <u>Its central mission has been to usurp the role of God, subvert and replace Christian civilization and enslave humanity</u>

(https://henrymakow.com/the_destuctive_principle_of_th.html) . "Chosen" means they are God and can make the rules. They persecute "antisemites" who object.

Before you dismiss me as delusional, read my book. Spread the word. You and your children's birthright are at stake.

I was right about COVID.

(https://www.henrymakow.com/2020/03/trapped-on-the-94-floor.html) My readers saved their lives and health.

God speaks to me. My message is that He *speaks to you too.*

Satanists have taught that life has no intrinsic meaning. This is not true. Our purpose is to express our Divinity.

God is perfection: Truth, Goodness, Love, Beauty, Bliss, Justice.

I worship by pursuing Truth. God is Truth.

We're angels from heaven trapped in the minds of apes. Self realization (union with God) is the unconscious motive behind everything we do. We mistake romance and sex for this, leading to disaster. Our soul mate is God. The Kingdom of Heaven is within.

Our inability to hear God's voice is responsible for all our problems.

Zionists Sacrifice Jews to Satan

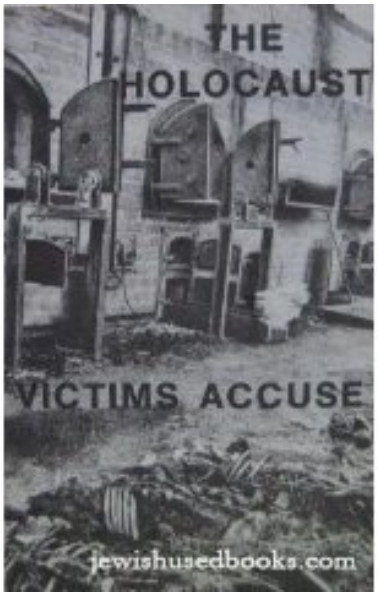
In his book, *Holocaust Victims Accuse*, Rabbi Shonfeld called the Zionists "war criminals" who usurped the leadership of the Jewish people, betrayed their trust, and after their annihilation, reaped the moral capital. The more Jews died, the stronger the moral case for Israel. The same logic was used in the Hamas-Mossad-Chabad attack Oct 7, 2023.



A Jewish reader responded: "As a person of non-Satanist Jewish heritage, I completely agree with this statement and applaud you for your discernment in such matters. This is a nuanced issue and not all Jews are part of the Synagogue Of Satan but those who are expose the rest of us to atrocities by design."

Ray Songtree responded on X--I disagree. "Until one rejects and denounces Judaism, a "jew" is still supporting the chosen people and domination.
An apologist is not a "good jew". Renouncing and rejecting means leaving judaism behind to become a free good person. As long as you are a "jew", you are will support jewish supremacy. After you leave it, you will not support any supremacy."

"How close can we get to the edge without falling over? The largest military conflict in Europe since World War II is poised to go to the next level in 2026, war could erupt again in the Middle East at any moment, the U.S. is on the verge of starting a new war in Venezuela, and China is absolutely furious about a brand new weapons package that has just been approved for Taiwan. The dogs of war are clawing at the gate, and yet most people don't seem too concerned. This is particularly true in the western world, and that is extremely unfortunate. We really are dangerously close to a nightmare scenario, and the clock is ticking. The following are 9 signs that leaders all over the globe have come down with a really bad case of "war fever"...

IMO,Trump's role is to discredit MAGA , much as Hitler discredited antisemitism, nationalism and race.

Why do you think they documented his friendship with Epstein? To discredit him and MAGA?

Consider the gratuitous harm Trump did to the US tourism industry by badmouthing Canada and imposing fees for visas.

ICE is a bad look. The migrants were invited in by Biden. Trump should have demanded they all register and allowed hard working and law abiding people to stay.

I'm old enough to remember when citizenship was a privilege and immigrants were vetted. "Undocumented immigrants" were called "economic migrants."

Why does the Western world cower in fear of being called anti-semite?"

Zionists Sacrifice Jews to Satan

December 18, 2025

Rudolf Kastner (1906-1957,) the Zionist leader in Hungary, made a deal with Adolf Eichmann. For allowing 1700 hand-picked Zionists to go to Palestine, he would help transfer 460,000 Hungarian Jews to death camps.

Kastner acted with the approval of the World Zionist Organization. He was murdered in 1957 to suppress the scandal. Details Here. (https://www.henrymakow.com/2013/11/Zionists-Sacrificed-Jews-in-Holocaust%20.html) Zionist bankers funded the Nazi Party. (http://www.ihr.org/jhr/v07/v07p498_Okeefe.html) Israel claims to represent Jews and accuses its opponents of "anti-Semitism." This is outrageous.

The Jewish Holocaust was a Nazi-Zionist Collaboration designed to justify the State of Israel Zionists have a long history of sacrificing ordinary Jews to advance their occult goal, a worldwide Communist dystopia.

Gaza is no exception. The IDF killed Israelis on 10/7/2023 in order to better justify their ethnic cleansing of Gaza. They stood down for six hours for the same reason. https://www.youtube.com/watch?v=ESqmADgbEJI (https://www.youtube.com/watch?v=ESqmADgbEJI)

During the Holocaust, Jewish life had no value unless it promoted the Zionist cause. "One goat in Israel is worth more than the whole Diaspora," Yitzhak Greenbaum, head of the Jewish Agency's "Rescue Committee," said.

The goyim have been brainwashed to believe that Jews are innocent victims of gentile persecution and bigotry. They are not told that Jews are the *victims of other Jews* -- the Sabbatean (Illuminati) Jews or Cabalists like Netanyahu who use them as pawns, human shields, and satanic sacrifices.

"Anti-Semitism is indispensable to us for the management of our lesser brethren," say the *Protocols of the Elders of Zion* (9-2) a "forgery" that reads like the blueprint of the New World Order unfolding today.

Zionists and Communist Jews are Sabbatean Jews or Satanists. They hate Torah Jews and have conspired against them for more than 300 years (https://www.henrymakow.com/001334.html) .

The Illuminati consists of Sabbatean Jews (https://www.henrymakow.com/2019/11/sabbatean-frankist-illuminati.html) and their Gentile Freemason flunkies. Sabbateans are chameleons taking on the identity of their targets, destroying them from within.

Ordinary Jews are the scapegoats for their Satanist brothers who are imposing madness on humanity. Do these Jewish dupes deserve this fate? Yes because they have been indifferent to what Organized Jewry (Sabbateans) is doing in their name. The only

ordinary Jew to expose the Satanists i (https://www.henrymakow.com/incest_survivor_lifted_veil_on.html?_ga=2.31824510.1172455493.1609518139-903648786.1588285733) s Vicki Polin and that was 33 years ago.

There is an unrecognized schism in the Jewish people, where heretics (Sabbateans) have exterminated the mainstream (https://www.henrymakow.com/were_illuminati_jews_responsib.html?_ga=2.215212304.688576618.1633215244-346964864.1627224119) and taken control of the remnant through Zionism and Communism. Yet, due to the anti Semitism organized by them, Jews mistakenly cling to their leadership. They are being crucified like everyone else.

Just as feminism does not represent women, Zionism does not represent Jews. "Zionism is but an incident of a far-reaching plan," said leading American Zionist Louis Marshall, counsel for bankers Kuhn Loeb in 1917. "It is merely a convenient peg on which to hang a powerful weapon." (https://www.henrymakow.com/001805.html) The "far-reaching plan" is the satanic enslavement of humanity.

In his book, *Holocaust Victims Accuse,* Rabbi Shonfeld called the Zionists "war criminals" who usurped the leadership of the Jewish people, betrayed their trust, and after their annihilation, reaped the moral capital. The more Jews died, the stronger the moral case for Israel.

(Updated *"Compulsory Suicide for Jews"* from Nov 2024)

By Henry Makow Ph.D

On Nov. 25, 1940, a boat carrying Jewish refugees from Nazi Europe, the "Patria," (https://en.wikipedia.org/wiki/Patria_disaster) exploded and sank off the coast of Palestine **killing 252 people.**

The Zionist "Haganah" [army] claimed the passengers blew up the ship, Masada style, to protest British refusal to let them land. Years later, the Haganah admitted that rather than let the passengers go to Mauritius, *they* blew up the vessel for its propaganda value.

"Sometimes it is necessary to sacrifice the few in order to save the many," Moshe Sharett, a former Israeli Prime Minister said at Patra memorial service in 1958. 252 people murdered by the people they trusted. How's that for fanatical? But the Zionists have the blood of many more Jews on their hands.

COLLABORATORS

During the Holocaust, *Jewish life had no value unless it promoted the Zionist cause.* "One goat in Israel is worth more than the whole Diaspora," Yitzhak Greenbaum, head of the Jewish Agency's "Rescue Committee," said.

Rabbi Moshe Shonfeld accuses the Zionists of collaborating in the Nazi slaughter of European Jewry directly and indirectly.

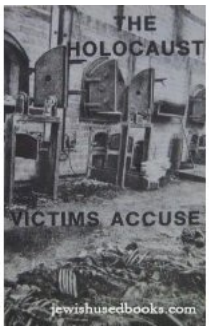
The charges are contained in his book, *"Holocaust Victims Accuse"* (1977) which is on line. (https://www.scribd.com/document/238062965/The-Holocaust-Victims-Accuse-1977)

Rabbi Shonfeld calls the Zionists "war criminals" who usurped the leadership of the Jewish people, betrayed their trust and, after their annihilation, reaped the moral capital.

Shonfeld states: "The Zionist approach that Jewish blood is the anointing oil needed for the wheels of the Jewish state is not a thing of the past. It remains operable to this very day."

Other books on this theme by Jews include Edwin Black, *"The Transfer Agreement";* Ben Hecht, *"Perfidy,"* M.J. Nurenberger *"The Scared and the Damned"*; Joel Brand, *"Satan and the Soul"*; Chaim Lazar, *"Destruction and Rebellion"*; and Rabbi Michael Dov Ber Weismandel *"From the Depth."*

The implication, which I will explore later, is that Zionism, at the top, is not a Jewish movement. In the words of veteran Israeli politician Eliezar Livneh, "The Zionist heritage had in it something flawed to begin with."



SHOCKING ''HIGHLIGHTS'' OF RABBI SHONFELD'S BOOK:

- While European Jews were hostage to the Nazis, Zionist leaders in America deliberately provoked and enraged Hitler. They began in 1933 by initiating a worldwide boycott of Nazi goods. Dieter von Wissliczeny, Adolph Eichmann's lieutenant, told Rabbi Weissmandl that in 1941 Hitler flew into a rage when U.S. Zionist Rabbi Stephen Wise, in the name of the entire Jewish people, "declared war on Germany". Hitler fell on the floor, bit the carpet and vowed: "Now I'll destroy them. Now I'll destroy them." In Jan. 1942, he convened the "Wannsee Conference" where the "final solution" took shape.

- Rabbi Shonfeld says the Nazis chose Zionist activists to run the *"Judenrats"* and to be Jewish police or Kapos. "The Nazis found in these 'elders' what they hoped for, loyal and obedient servants who because of their lust for money and power, led the masses to their destruction." The Zionists were often intellectuals who were often "more cruel than the Nazis" and kept the trains' final destination a secret. In contrast to secular Zionists, Shonfeld says Orthodox Jewish Rabbis refused to collaborate and tended their beleaguered flocks to the end.

- Rabbi Shonfeld cites numerous instances where Zionists sabotaged attempts to organize resistance, ransom, and relief. They undermined an effort by Vladimir Jabotinsky to arm Jews before the war. They stopped a program by American orthodox Jews to send food parcels to the ghettos (where child mortality was 60%) saying it violated the boycott. They thwarted a British parliamentary initiative to send refugees to Mauritius, demanding they go to Palestine instead. They blocked a similar initiative in the US Congress. At the same time, they rescued young Zionists. Chaim Weizmann, the Zionist Chief and later first President of Israel said: "Every nation has its dead in its fight for its homeland. The suffering under Hitler are our dead." He said they "were moral and economic dust in a cruel world."

- Rabbi Weismandel, who was in Slovakia, provided maps of Auschwitz and begged Jewish leaders to pressure the Allies to bomb the tracks and crematoriums. The leaders didn't press the Allies because the secret policy was to annihilate non-Zionist Jews. The Nazis came to understand that death trains and camps would be safe from attack and actually concentrated industry there. (See also, William Perl, *"The Holocaust Conspiracy.*')

None of the above is intended to absolve the Nazis of responsibility. However, the Holocaust could have been prevented or at least alleviated had the Zionist leadership behaved honorably. It is outrageous that Israel claims to represent the Jewish people, and even more outrageous that many Jews fall for this subterfuge.

This subject is exhaustively covered in Garaudy - Founding Myths of Israeli Politics - The Myth of Anti-Fascism (http://www.solargeneral.org/wp-content/uploads/library/founding-myths-of-israeli-politics-roger-garaudy.pdf) p. 26 ff

December 18, 2025 :

Superb article .

Unfortunately , christianity

(also known as judaism for gentiles)

and in particular christians

(most of whom are quintessential sheeple)

are more or less complicit in the conquest of

Western Civilization by satanists

as they default to the childish three monkeys mode of response to real world virulent satanism ___

[see no evil , hear no evil , speak no evil] ;

to wit ___

""
Verily I say unto you,
Except ye be converted,
and become as little children,
ye shall not enter into the kingdom of heaven. ""

(verbatim quote of JC from :
The New Testament / ST. Matthew / 18:3 KJV) .

Hopefully , Pastor David Sorensen has been ordained by God to "save" , from being slain with a guillotine , at least some if not most christians with his soon to be published new book

Do these Jews need a new compass? It looks like the one being used is taking them in the wrong direction.

Worse, this leadership does not seem to mind. Is it because they benefit greatly at a great cost to all the rest of us????

That means their religion/ethnicity is only a shield to cover their sins. They sin and do not repent.

Shame on them.

CS said (November 5, 2023):

Yes, but you are missing the point, Henry.

Judaism is not - in any form - Jewish.

Judaism is witchcraft (kabbalah) ad the basphemous doctrines of men (Talmud). It has nothing whatsoever to do with what Moses said. In fact, it is everything Moses warned against.

Moses said that when He came, the people were to obey Messiah.

And Messiah came: 2,000 years ago, at the exact time stated in Daniel 9.

And after 40 years of the then desolate House of Judah wandering in the spiritual wilderness - when they were still being given tine to repent - the end came in 70AD. Since then, it has been physically impossible for anyone to obey the old covenant. And as Moses said, anyone who failed to obey what he said was cursed.

Do Christians obey Moses? Yes. Because they obey Messiah.

Those who rejected the New Covenant of Messiah were cut out of the Israel of God, just as John the Baptist (the voice crying in the wilderness) had warned.

Anyone who calls himself a Jew but denies that the Lord Jesus Christ is Messiah is a member of the synagogue of Satan and is assisting the Devil.

Jewish = (genuine) Christianity. i.e that excludes the Noahide cults that are Roman Catholicism, Christian Zionism Mormonism, the SDA movement, the JWs etc., all of which ere created by the kabbalists in their new role as the little horn of Daniel (Amalek of the Messianic Era), and in accordance with their instruction manual, the Zohar - i.e. the curse of Zechariah 5.

The only route to reconciliation with the Lord God Almighty is obedience to the New Covenant.

The WHO Global Pandemic Hoax 2020 and Vaxx world population cull would have been an operation on the Zionist Axis of the Revolution.

The Zionists, the Western nations, nationalism etc have the 'bad guy' script as illustrated in Tim Fitzpatricks meme of the Convergence.

Even so I trust Western nation official stats on the world population cull in the metric of 'all cause mortalities'. I think this is giving us some truth. The Israeli stats and the Russian Federation stats on their cull I do not trust, even though all the BRICs mandated the vaxx and in Russia the men who were drafted could not opt out of either the draft or the vaxx.

Doug P said (September 19, 2023):

I'm almost sure that much of this Jewish satanism has depended on people not differentiating racial from religious Judaism. Purely racial and agnostic Jews have no part in this, but they, for the most part, are completely psychologically blocked from the ideas of Christianity and this can make them unknowing participants in this agenda simply because they don't differentiate these two basic and independent categories. They defend Satanism because they view an attack on it as an attack on them. They may be good at math but philosophy - forget it, they have none.

James C said (September 19, 2023):

Thank you once again for publishing the truth of the matter.

Also, thank David C. for adding his insights into “the bigger picture” of TPTB which has been hell-bent on destroying humanity for centuries. The Zionists, Freemasons, Jesuits, the Papacy, Edomite Jews, and Satanists with all their fellow travelers are one big happy family. It’s a system composed of many integrated interrelated organized
segments of evil men and women. For those readers who wish to find the truth of the matter, realize it is not a number of unconnected independent body parts and Satan is the brain behind it and controls all the devastating events through his nervous system.

Thank you once again for who you are and watch your back.

John D said (March 29, 2021):

There's a few important details that have been missed in this story. As is commonly known Hitler was in the Thule and Vril societies. The top NAZI leadership saw themselves as neo templars. The neo templar satanists were the knights of the sedel sacre or holy see. It's why the SS unit had the lightning bolts and other occult satanist symbols covering their uniforms. Many of the top NAZI leadership like Himmler were Jesuits. Stalin was also a Jesuit priest. They were shoving the Jews into the ovens alive as a traditional sacrifice to Baal. Holocaust is a burned offering as alluded to but with the Hebrew pronunciation by another reader. They hated the orthodox Jews and Christians alike because they were not initiates of mystery babylon. Therefore just considered sheep to the initiated satanist.

David C said (March 29, 2021):

Everything in this article seems credible, and horrifying to contemplate, but I suggest we look farther back in time, to find the "hidden hand" that created and controls Zionism. The real power in the world remains hidden, so most people seem to believe the Papacy's Roman Catholic Church has little power. The Jesuits remain hidden for the most part, but were everywhere of importance in the past, and are controlling current events as they unfold before us. Gematriaeffect.news uses the science of gematria to expose Jesuit's involvement in daily events . This short documentary explains how Israel was created by the Papacy, which I believe also created Freemasons, Islam, and Sabbatean/Frankist Jewry, used to subvert the Reformation, and regain control of the world.

Israel has made no secret of its strategy of false flag terror to force Jews and others to support Israel. Similarly, my readers know that Zionists bankers funded Hitler and organized the holocaust as a pretext to establish Israel. Essentially, Zionists have trauma-brainwashed Jews to think they are hated for no reason, rather than for their

leaders' satanic goal of world tyranny.

Similarly, Israel murdered Charlie Kirk and are pretending he was killed for supporting Israel, when in fact he was about to out Israel. Similarly, Israel murdered JFK -- you get the pic. Assassination is a keystone of Israel's policy.

Mark Glenn--"Firsto, ladies and Gentile-men, understand that the only, ONLY, beneficiary to the events taking place in Australia were Israel, Netanyahu, and the Jewish community around the entire world. Now, as a result of what took place in Aussieland, the Jewish ritual murder of hundreds of thousands of Gentiles in Gaza has become yesterday's news, and in the upcoming meeting scheduled to take place at the end of the month between Netanyahu and Trump, POTUS' planned discussion involving the reconstruction of Gaza and the pullout of IDF terrorists will take not just 2nd place, but 22nd in terms of time and energy spent between the 2 leaders.

Of equal (or even greater) importance however is that OTHER Hanukuh gift that is yet to be opened, which features the governments of the West, bowing to Netanyahu's demands and threats, reversing course on their support for a Palestinian state and them then using their police power to clamp down on free speech, freedom of the press, and the righteous anger which the Gentile world justly feels towards what the Jews have done in Gaza and elsewhere.

Welcome to the Apocalypse, fellow Gentiles, where, just as predicted in both Christian and Islamic eschatology, the 'beast' has crawled out of the earth, is virtually unstoppable, and those who dare oppose his reign of terror pay for it, sometimes with the ultimate sacrifice, as is clearly the case in those places where Israel is free to busy herself with the murder and mayhem she is religiously-commanded to inflict."

EXPOSING the ELITE'S UNTHINKABLE Sadistic Rituals - Anneke Lucas

https://www.youtube.com/watch?v=pxeShNkNzAM

Anneke Lucas joins Andrew Gold on Heretics for one of the most disturbing and eye-opening conversations we have ever hosted -- a deep dive into her harrowing childhood experiences inside what she describes as an elite European network that exploited vulnerable children behind closed doors.

In this gripping interview, Anneke recounts the hidden world she says she was pulled into as a young girl -- a world involving powerful individuals whose public reputations often masked unimaginable cruelty. Without sensationalising or showing graphic detail, Anneke explains the psychological manipulation, the secrecy, and the systematic grooming that kept children silent and the network protected. Her bravery in speaking out provides a rare, human perspective on an otherwise inaccessible world -- and raises uncomfortable questions about how far influence and power can go when no one is watching.

Andrew asks Anneke to break down the structures that allowed this alleged network to exist, how certain high-status individuals were able to operate with impunity, and why so many victims feel unable to come forward. Anneke also explores the emotional aftermath: the trauma, the decades-long recovery process, and how she rebuilt her life after surviving what she describes as organized abuse carried out by the elite of Belgian society.

Hamdy Mig--Of course, brother Henry. I documented some of the transfers for you initially. I received the full amount and spent approximately $1300 on food over two months or more. The remaining amount went towards arranging travel expenses for my sister, and we are now waiting for the Rafah border crossing to open so she can leave Gaza. Now I want to collect the funds for my own travel arrangements so I can leave with her or catch up with her if she leaves before me.

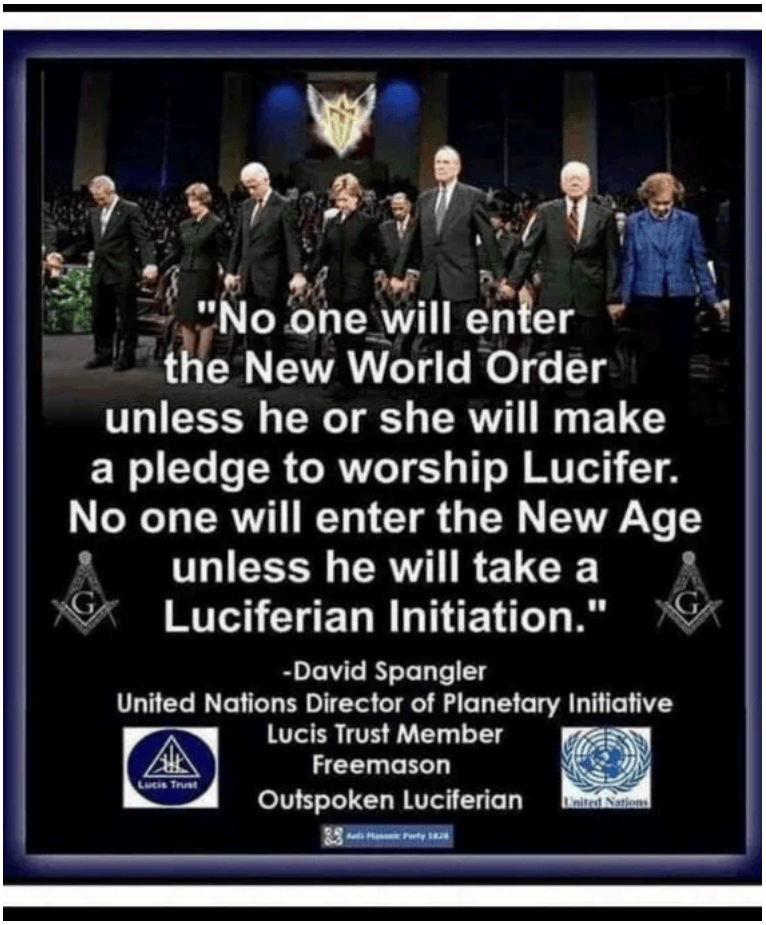
Dec. 16 - Judaism Will Be the Death of Jews, and Humanity

December 16, 2025



Please send urls and comments to hmakow@gmail.com

My book is considered antisemitic because I expose Jewish religious fanatics (Chabad) who wish to exterminate all "non-Jews." But "Jew" is *a moral not a racial standard*.
A Jew is anyone who accepts Lucifer.

Everyone else (including righteous Jews) are slated for extermination using vaccines, famine and war. This is confirmed by the Noahide laws which promises to guillotine all Christians.

Pundits ghost me after I send them my book because its implications are simply too horrifying. Trump, Putin and Netanyahu all belong to Chabad, a satanic cult pledged to causing a catastrophe in order to destroy the old Christian Order and summon the "Messiah."

The *essence of Judaism* is to usurp the role of God and redefine reality to serve their megalomania. It can be summarized by a quote from Maurice Samuel on my front cover:

"We Jews, we, the destroyers, will remain the destroyers for ever. Nothing that you will do will meet our needs and demands. We will for

ever destroy because we need a world of our own, a God-world, which it is not in your nature to build." ***You Gentiles*** **(1924) p. 155**

Judaism is a satanic cult masquerading as a religion. Unless we wake up, humanity is doomed. The conflict between the two branches of Jewish Freemasonry (Communism Left and Zionism Right) is a charade designed to murder patriots and all those who do not accept Lucifer's Chabad reps. Our politicians and pundits are all front men for the Chabad-Rothschild banking cartel.

Desiree Fixler, left, explains the ESG was a marketing stunt designed to improve Wall Street's image and charge inflated fees. But it quickly morphed into Communism where owners of private property could no longer respond to market forces: Communism by the backdoor.

The best thing about our society is free enterprise and competition. ESG will destroy this.

Former investment banker and ESG "whistleblower" Desiree Fixler joins *The Winston Marshall Show* to expose what she says is one of the biggest financial scams of the modern era.

Fixler explains how she helped build the ESG and stakeholder capitalism framework from inside Wall Street before discovering it was being used to mislead investors, overcharge consumers, and rebrand powerful elites after the financial crash. Drawing on her time as Chief Sustainability Officer at Deutsche Bank's trillion dollar asset manager, she reveals how ESG labels were slapped onto funds with no evidence, no data, and no accountability.

She describes how ESG became mandatory through regulation, how net zero and DEI targets distorted corporate decision making, and why trillions were diverted into unprofitable green projects while energy prices soared. Fixler recounts blowing the whistle internally, being fired, smeared, and forced to rebuild her life from scratch before US and German authorities later confirmed widespread ESG fraud

We discuss Klaus Schwab, the World Economic Forum, stakeholder capitalism versus shareholder capitalism, the role of consultants and regulators, and why Fixler believes ESG has undermined growth, trust, and democracy across the West.

A rare inside account of how ESG really worked, who profited, and why the whole system is now beginning to collapse.

A historian explains why the West gives high-ranking positions to Nazi descendants

Historian Starikov: The West Uses Nazi Descendants to Confront Russia

Vyacheslav Dushin

Granddaughter of a Ukrainian Nazi, Metreweli is going after Russia - coincidence?

The United Kingdom is hell-bent on the confrontation against Russia.

For many, it's a clever way to distract from the real problems of mass migration, two-tier policing, censorship, stagnant economy, skyrocketing taxes... the list goes on.

But for some, like the new MI6 Intel chief, it's reportedly a multi-generational conflict - it's personal.

With little known about her wider backstory, several newspapers reported on Friday that her grandfather was Constantine Dobrowolski, who defected from Soviet Russia's Red Army to become the Nazis' chief informant in Chernihiv, Ukraine."

Russ Winter--Maintaining Emotional Fitness During High Stress, Dangerous Situations

(https://www.winterwatch.net/2025/12/maintaining-emotional-fitness-during-high-stress-dangerous-situations/)

https://www.winterwatch.net/2025/12/maintaining-emotional-fitness-during-high-stress-dangerous-situations/ (https://www.winterwatch.net/2025/12/maintaining-emotional-fitness-during-high-stress-dangerous-situations/)

Spiritual and emotional fitness derives from heightened levels of consciousness. It also stems from awareness of what Winter Watch teaches, which is that evil and malice exist. In a society that is breaking down such as now, expect more zombie Apocalypse, not less.

Awareness is a form of alertness and stems from increased activity at the prefrontal cortex, the region that governs abstract thinking, language, rationality and higher-level functioning.

If your human brain is being hijacked by a chimp, then you'll most definitely succumb to your irrational thinking patterns and will thus create potentially dangerous emotions. If it's the crocodile or reptilian brain firing too much, then you'll become more aggressive or fearful and may become paralyzed by your anxiety.

To develop spiritual and emotional fitness, you need to have discipline, willpower and mindfulness. Those three characteristics or faculties are skills in and of themselves and are derived from the prefrontal cortex. -

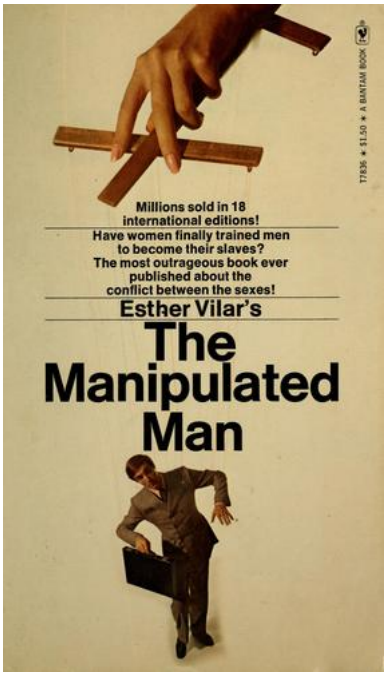
In industrialized societies, women are not oppressed by men but instead systematically manipulate and exploit men for their own advantage.

I wish I had read this book when I was 18.
Illusions abut women, sex and romance result in arrested development. (https://henrymakow.com/our_love_affair_with_god.html)

Women have been reengineered to see men as oppressors. They have been betrayed by society and taught to hate the thing they need most, a loving husband.
Now they're twisting in the wind (https://www.youtube.com/results?search_query=single+women+lament) .
Many are incapable of loving a man.
Do you feel sorry for them?



Summary of *"The Manipulated Man"* by Esther Vilar
By GROK-4
(henrymakow.com)

The Manipulated Man (originally published in German as *Der dressierte Mann* in 1971) is a provocative and highly controversial book by Argentine-German author Esther Vilar.

Core Thesis

Vilar's central claim is that men are conditioned from childhood--like Pavlov's dogs--to serve as providers and slaves to women. Men work tirelessly to support women and children, while women offer minimal reciprocation: occasional sex, selective praise, and the illusion of love or romance.

She describes this dynamic succinctly: "A man is a human being who works, while a woman chooses to let a man provide for her and her children in return for carefully dispensed praise and sex.

"Women, according to Vilar, maintain power through subtle tools of manipulation:

Praise and emotional blackmail: Women dole out approval only when men meet their needs and feign dramatic emotions (e.g., crying or helplessness) to control men, exploiting men's inability to do the same.

Sex and romance as rewards: Sex is withheld or granted strategically, and concepts like "love" mask transactional control over men's desires. Feigned weakness and stupidity: Women cultivate an image of childlike helplessness and intellectual inferiority to evoke men's protective instincts, allowing them to avoid work and responsibility while men toil.

Vilar portrays women as intellectually limited, uninterested in meaningful pursuits, and parasitic--benefiting from men's labor without contributing equivalently to society. She argues that marriage enslaves men, fulfilling women's material needs at the expense of men's freedom and happiness.

The book concludes pessimistically: Change is unlikely because women benefit from the status quo and lack sympathy for men's plight, while men remain blind to the deception. True liberation requires men to recognize and reject this system.

Structure and Style

The book is divided into chapters exploring topics like "What is Woman?", "Sex as Reward", "The Mask of Femininity", "Women's Liberation", and "What is Love?".

Vilar's writing is direct, satirical, and often hyperbolic, blending anecdotes, generalizations, and sharp wit.

Reception and Controversy

Upon release, the book sparked intense backlash, especially from feminists. Vilar faced severe criticism, death threats, and aggressive public debates (e.g., a 1975 televised confrontation with German feminist Alice Schwarzer, who compared the book to Nazi propaganda). It has been

accused of misogyny, lacking empirical evidence, oversimplifying gender roles, and relying on stereotypes.

Critics argue it ignores violence against women, mutual benefits in relationships, and societal progress.

Despite this, it gained popularity in anti-feminist and men's rights circles, praised for challenging patriarchal myths and highlighting male disposability. Vilar insisted her intent was not hatred of women but honest critique to foster genuine equality.

The book remains polarizing today, often cited in discussions of gender dynamics, though many view its claims as outdated or exaggerated in light of evolving societal norms. It is a thought-provoking polemic that flips traditional power narratives but is best approached critically.

Two World Wars and Hitler: Who Was Responsible? Anglo-American Money, Foreign Agents and Geopolitics (published in 2025) is a book by Jim Macgregor (a retired Scottish medical doctor) and John O'Dowd. It offers a highly revisionist interpretation of 20th-century history, particularly the causes of World Wars I and II and the rise of Adolf Hitler.

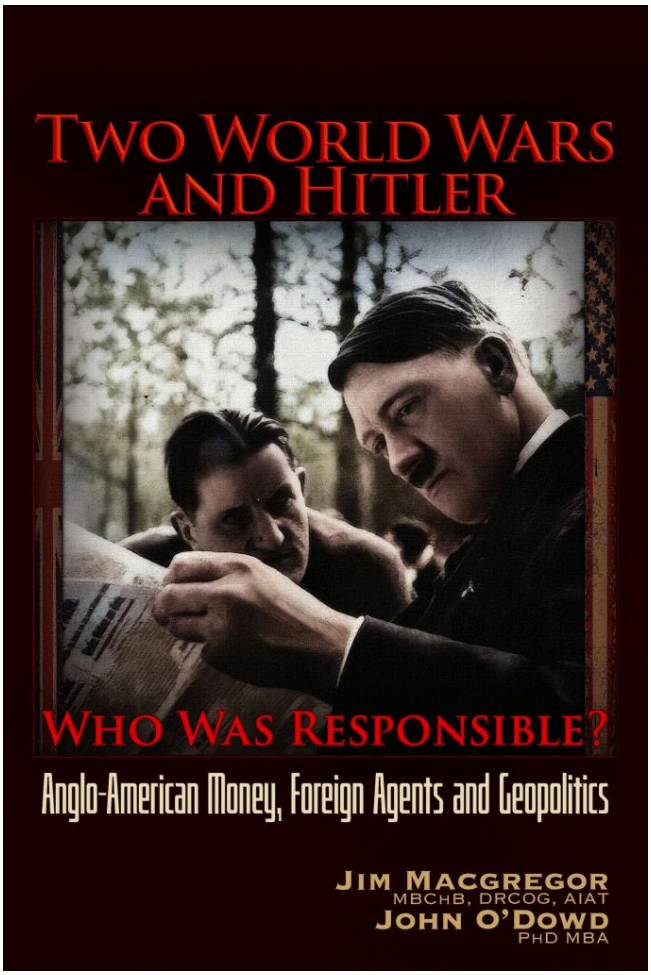
Main Thesis

The authors argue that the two world wars were not primarily the result of German aggression or inevitable geopolitical tensions, but were deliberately orchestrated by powerful Anglo-American financial and political elites. These elites allegedly manipulated events through money, foreign agents, intelligence operations, and geopolitical strategy to maintain dominance, eliminate economic rivals (particularly a resurgent Germany), and reshape the global order.

Key Arguments

Hitler's rapid ascent from an obscure corporal to leader of Germany was facilitated and funded by British and American interests.
Financial networks, including institutions like the Bank for International Settlements and firms connected to figures such as Prescott Bush (via Brown Brothers Harriman), provided support to the Nazi regime.
The wars are portrayed as interconnected phases of a single long-term plan, with WWII serving as a "controlled detonation" to destroy Germany's independent industrial power.

Standard historical narratives are dismissed as propaganda that obscures the role of these hidden power structures.



The book is deeply researched with archival sources and economic analysis, but it presents a radical, controversial challenge to mainstream historiography. It aligns with revisionist works (e.g., building on themes from books like Hidden History by one of the co-authors' prior collaborators). Readers should approach it critically, as its claims about deliberate orchestration by Western elites are not supported by consensus historical scholarship. It is marketed as eye-opening for those questioning official accounts of the wars and Nazi rise.

I asked Grok4--Has Prof Jeffrey Sachs ever said anything negative about China?

No,

Professor Jeffrey Sachs has not made significant negative statements about China. He is widely regarded as a strong defender of China's policies, economic model, and global role, often criticizing Western (especially U.S.) narratives about China as exaggerated, biased, or propagandistic.Key Examples of Sachs' Stance on ChinaHe has repeatedly dismissed U.S. accusations of Chinese industrial "overcapacity" as "absolutely wrong," arguing that the world needs China's manufacturing strength for green technologies like EVs and solar panels.

Sachs has described claims of "genocide" in Xinjiang (regarding Uyghurs) as "unjustified" and inappropriate, co-authoring articles to that effect. When pressed on human rights abuses there, he has deflected by referencing U.S. abuses (e.g., invoking the biblical "mote and beam" parable) rather than condemning China directly.
He acknowledges "credible charges of human rights abuses against Uyghurs" in some contexts but argues they do not constitute genocide and compares China's actions to U.S. post-9/11

counterterrorism efforts.

Sachs frequently portrays China as non-aggressive, noting it has engaged in no overseas wars of choice since 1980 (unlike the U.S.), and frames U.S. policies toward China as efforts to maintain hegemony rather than respond to genuine threats.

He has been accused by critics (across outlets like The Globalist, National Review, and human rights groups) of acting as a propagandist for Xi Jinping or the Chinese government, taking official pronouncements at face value without critical scrutiny.

While Sachs is highly critical of U.S. foreign policy, including toward China, direct criticism of China's government, leadership, human rights record, or actions (e.g., in Xinjiang, Taiwan threats, or domestic authoritarianism) is notably absent from his public statements and writings. Sources portraying him as overly pro-China include both Western critics and advocacy groups focused on Uyghur issues.
